Goodwill of Greater Grand Rapids Certified Nurse Aide (CNA) Training prepares individuals to pass the CNA exam and find a rewarding job in the health care industry.

Training

Goodwill's CNA Training consists of 115 hours of instruction, lab and clinicals providing real world experience with residents at a long term care facility. The training includes a health care level CPR certification, open lab hours for skills practice and one-on-one tutoring when needed. Individualized job placement assistance and retention support are also offered.

Cost of tuition is \$1,800. Scholarships may be available. Classes are offered both part-time and full-time. Visit www.goodwillgr.org/cna to view upcoming training schedules and to apply.

Eligibility and Interest Criteria

- 18 years or older prior to the first day of class
- Access to reliable transportation
- Must pass a criminal background check
- Ability to lift 50+ pounds without restriction
