

## WHAT IS PATHFINDERS?

PathFINDERS is a free and innovative program where participants aged 16-25 can access a range of resources and services tailored to their specific needs! We work closely with local organizations to leverage resources and expertise and provide participants with the best possible guidance and opportunities.

### WHAT TO EXPECT?

- 1-on-1 career coaching and goal setting
- Resource navigation and connections
- Career planning, job placement, and retention services
- Job shadow, paid or unpaid work experiences
- Assistance with employer and college tours

**Whether you are looking to build your skills, explore new career opportunities, or pursue higher education, PathFINDERS is committed to helping you achieve your goals and unlock your full potential.**
