Schedule Adjustment Policy: Our training program reserves the right to make changes to the training schedule based on program need. Should any adjustments to training dates, times, or locations be necessary, we will notify students as soon as possible. Occasionally, unforeseen circumstances require us to modify the schedule. In such cases, your instructor will notify you promptly. Please know that our primary goal is always the success of our students and any changes made will be with that objective in mind.

Attendance: Attendance is mandatory for success in our CNA training program and in your future healthcare career. Any missed time during the program is a lost learning opportunity that cannot be recovered. All lessons are mandatory and must not be missed. Exceptions will only be made for emergencies. Failure to attend each class period in full and actively participate may result in being dropped from the program. Students missing more than 6 hours of training will be dropped from the class. Reschedule any non-emergency appointments that conflict with class times or choose a different class schedule.
